Safety Data Sheet

Γ

Blind Gauging Wax - Amber, Yellow

## Section 1 Chemical Product and Company Identification

1.1 Product identifie				
	s: Blind Gauging Wax – Amber, Blind Gauging Wax – Yellow			
1.2 Relevant identified uses of the substance or mixture and uses advised against				
Identified uses	s: Specialty Tooling Wax, For Industrial Use Only			
1.3 Details of the sup	plier of the safety data sheet			
	afacturing & Supply Company			
	oad, Avon, OH 44011-4043 USA <b>1.4 Emergency telephone number</b>			
Telephone: (4-				
	us@freemansupply.com			
Email: contact	us@neemansuppry.com			
	Section 2 Hazards Identification			
2.1 Classification of t	he substance or mixture			
	according to OSHA 29 CFR 1910.1200 HCS			
	nts, including precautionary statements			
	ent(s) required			
2.3 Hazards not othe				
Molten produc	rt can cause serious burns.			
	Section 3 Composition/Information on Ingredients			
3.1 Mixture of Substa				
Proprietary mixture of synthetic waxes, resin(s), and additive(s).				
	is need to be disclosed according to the applicable regulations.			
No component	s need to be disclosed according to the applicable regulations. Section 4 First Aid Measures			
No component 4.1 Description of fir	st aid measures

Section 9 Physical and Chemical Properties 9.1 Information on basic physical and chemical properties				
Odor	Mild			
Odor Threshold	No data available			
рН	No data available			
Melting Point	>165°F (74°C)			
Boiling Point	No data available			
Flash Point	465°F (240°C)			
Evaporation rate	No data available			
Flammability (solid, gas)	No data available			
Upper/lower flammability	No data available			
Vapor Pressure	No data available			
Vapor density	No data available			
Relative density (g/cc)	$0.90 \pm 0.05$			
Water Solubility	Insoluble			
Coefficient: n-octanol/ water	No data available			
Auto-ignition temperature	No data available			
Viscosity	Solid at ambient temperature			
Explosive Properties	None			
Oxidizing Properties	None			
% Volatile	0			
70 Volatile	0			
Section 10 S	Stability and Reactivity			
0.1 Reactivity:	No dangerous reaction known under conditions of normal use			
0.2 Chemical stability:	Stable under recommended storage conditions.			
0.3 Possibility of hazardous reactions:	Hazardous polymerization does not occur.			
0.4 Conditions to avoid:	Heat, sparks, open flame.			
0.5 Incompatible materials:	Strong oxidizing agents.			
0.6 Hazardous decomposition products	May include: carbon monoxide, carbon dioxide			
0.0 mazar dous decomposition products	May include. cal boll inclusive, cal boll dioxide			
Section 11 To	oxicological Information			
1.1 Information on toxicological effects				
Ingestion	Very low toxicity if swallowed. Harmful effects not			
	anticipated from swallowing small amounts.			
Skin contact	No adverse effects anticipated from skin absorption.			
Inhalation	Vapors released during thermal processing may cause			
	respiratory irritation.			
Eye contact	No data available			
Skin Corrosion/Irritation	Classification criteria not met			
Serious Eye Damage/Eye Irritation	Classification criteria not met			
<b>Respiratory or Skin Sensitization</b>	Classification criteria not met			
Germ Cell Mutagenicity	Classification criteria not met			
Carcinogenicity (OSHA, NTP, IARC, ACGIH)	No component of this product present at levels greater than			
	or equal to 0.1% is identified as an anticipated, potential,			
	probable, possible, known, or confirmed carcinogen.			
Reproductive Toxicity	Classification criteria not met			
Specific Target Organ Toxicity (STOT)				
Single Exposure	Not expected			
Repeated Exposure	No data available			
Aspiration Hazard	Not relevant			
Tobu anon manu a				

	Section 12 Ecological Information			
12.1 Toxicity	Not expected to be barmful to equatic organisms			
	Not expected to be harmful to aquatic organisms No data available			
12.2 Persistence and degradability				
12.3 Bioaccumulative potential	No data available			
12.4 Mobility in soil	No data available			
12.5 Results of PBT & vPvB assessment	No data available			
Sectio	on 13 Disposal Considerations			
13.1 Disposal	Follow applicable Federal, State, and local regulations.			
Secti	ion 14 Transport Information			
14.1 DOT, TDG, IMO/IMDG, IATA/ICOA:	Not regulated
